What did I enjoy the most in this camp? The answer is very clear – I enjoyed gliding with a professional instructor. We reached 400 meters height. It was wonderful. It was one of the best experiences I have ever had.

Felix Finkbeiner from Germany

The most wonderful experience in this camp was gliding in 300 meters height. I had an opportunity to control the glider for 10 seconds. It was an incomparable experience! I also enjoyed a trip to aqua park and shopping mall.

Robert Paulinsky from Slovakia

Before this camp, I have never tried pork in my life. Now I know how it tastes, and I know it tastes different than chicken.

Mina Ulgen from Turkey

It might sound a little weird, but I'm always very happy to see tears in the faces of camp participants at the end of the camp. Because then I know, that everything went very well.

Arminas Murauskas, St. Christopher RC
